

AUTOGRAPH POLICY

For the safety of the players and gallery members alike, a NO AUTOGRAPH POLICY is enforced on the golf course during the week of the Memorial Tournament including practice rounds. In consideration of the players, spectators are asked to refrain from requesting autographs during competition and must wait until after a player has completed his round.

BADGES

Badges are to be displayed in plain sight at all times. The Tournament is not responsible for lost badges.

CHAIR POLICY

- When opened, seat of chair cannot sit higher than 18 inches off the ground.
- Chairs cannot be wider than 20 inches.
- Chair backs cannot extend more than 14 inches from the seat.

We have set this policy with your safety in mind, which is a high priority for us. At golf tournaments there is always the possibility of an errant shot reaching the gallery areas. If a golf ball is heading towards you and you are seated in a chair with arms, your ability to move quickly to avoid being struck is severely inhibited.

Consideration was also given to the other spectators around you when this policy was set. Their safety as well as their ability to view the Tournament in an unimpeded manner is very important to us.

You may want to consider bringing a seat cushion, similar to those used in stadiums. We will be offering a collapsible chair this year in our outdoor pro shops, as well as seat cushions, for your convenience.

Thank you for your support of the Memorial Tournament.
